15-th Conference of the
International Linear Algebra Society

April 26, 2008

Professor M. A. Abdunabi
Al fateh University
Libya

Dear Professor Abdunabi:

The Organizing Committee of the 15-th Conference of the International Linear Algebra Society has accepted your paper "Shrinkage Estimators for Estimation the Multivariate Normal Mean Vector under Degrees of Distrust (with I. Hanaish)" to be presented by your coauthor, Prof. I. Hanaish, in our Contributed Papers sessions.

The presentation lasts 20 minutes and there are five minutes for questions and comments.

We remind you that the 15-th Conference will be held in Cancún, México, from June 15 to June 21, 2008.

Note that acceptance of the abstract to be presented at the conference does not mean that the paper will be published in the Proceedings of the conference. All papers submitted for the Proceedings are subjected to a referee evaluation in charge of the Special Editors of Linear Algebra and its Applications.

Cordially
