Dear Professor Mena:

The Organizing Committee of the 15-th Conference of the International Linear Algebra Society has accepted your paper “Exponential Integrators for Solving Large-Scale Differential Riccati Equations” (joint work with Peter Benner) to be presented in the mini-symposium on Matrix functions and matrix equations.

You will have twenty minutes for your presentation and five minutes for questions and comments. We will inform you about the date and time of your talk around April 15. We remind you that the 15-th Conference will be held in Cancún, México, from June 15 to June 21, 2008.

We are certain that your lecture will contribute greatly towards the success of our conference and will be highly appreciated by all the participants.
